

THuman-CloSET Dataset Release Agreement

- The THuman-CloSET dataset (the "Dataset") is available for **non-commercial** research purposes only. Any other use, in particular any use for commercial purposes, is prohibited. This includes, without limitation, incorporation in a commercial product, use in a commercial service, as training data for a commercial product, for commercial ergonomic analysis (e.g. product design, architectural design, etc.), or production of other artifacts for commercial purposes including, for example, web services, movies, television programs, mobile applications, or video games. The dataset may not be used for pornographic purposes or to generate pornographic material whether commercial or not.
- You agree **not to** reproduce, modified, duplicate, copy, sell, trade, resell or exploit any portion of the Dataset and any portion of derived data in any form to any third party without Tsinghua University's prior written permission.
- You agree **not to** further copy, publish or distribute any portion of the Dataset. Except, for internal use at a single site within the same organization it is allowed to make copies of the Dataset.
- You acknowledge that the Dataset is a valuable scientific resource and agree to appropriately reference the following paper in any publication making use of the Dataset.
